Frequently Asked Questions (FAQ):

Post-war Italian cinema saw a shift towards increased emotional depth in its characters. Films like authored by Visconti and Antonioni started to examine the inner lives of women with more nuance, exposing their complexities and aspirations beyond simply their sexuality. These films featured women who were ardent not only in their romantic relationships but also in their search of personal fulfillment, often challenging societal expectations.

Early iterations of *Passionaccia* in Italian cinema were often tied to stereotypical portrayals of full-figured women, quickly categorized as seductive figures whose desires were essentially viewed through a masculine gaze. These characters, though often vigorous, were frequently limited by the cultural boundaries of their time. However, as Italian cinema developed, so too did the portrayal of *Passionaccia*.
