

Brown Bear, Brown Bear, What Do You See

Brown Bear, Brown Bear, what Do You See?

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

The Very Hungry Caterpillar

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, *SOPHIE'S WORLD* sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Sophie's World

A little hand holds on tight! Celebrate the special relationship every parent has with their child in this lovely New Books for Newborns board book! *Me You We*, two Hand in hand Through and through In this sweet New Books for Newborns book, a parent and their child set out for a fun-filled day of adventure. Whether it's having fun at the park, or letting your child learn something new, this sweet, rhyming board book is the perfect way to tell your little one that no matter where you are or what you're doing, all that really matters is doing it together, hand in hand. The New Books for Newborns series is "just right" for parents to read to their babies. With short, lilting and lullaby-like texts, these board books help parents introduce reading to their children with snuggly, soothing read-alouds perfect for first story times.

Hand in Hand

Wuthering Heights is the name of Mr. Heathcliff's dwelling. 'Wuthering' being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date '1500,' and the name 'Hareton Earnshaw.' I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room,

without any introductory lobby or passage: they call it here Ôthe houseÕ pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

Wuthering Heights

"Noah was a righteous man," says Isaac Bashevis Singer, so he and his family were to be saved from the flood. But rumor had it that only the best of all living creatures were to be taken aboard the Ark with Noah. In *Why Noah Chose the Dove*, a fresh and lively approach to the age-old account, Isaac Bashevis Singer sets down the dialogue of the animals as they vie with one another for a place on the Ark.

Why Noah Chose the Dove

Twelve year old Amir is desperate to win the approval of his father Baba, one of the richest and most respected merchants in Kabul. He has failed to do so through academia or brawn, but the one area where they connect is the annual kite fighting tournament. Amir is determined not just to win the competition but to run the last kite and bring it home triumphantly, to prove to his father that he has the makings of a man. His loyal friend Hassan is the best kite runner that Amir has ever seen, and he promises to help him - for Hassan always helps Amir out of trouble. But Hassan is a Shi'a Muslim and this is 1970s Afghanistan. Hassan is taunted and jeered at by Amir's school friends; he is merely a servant living in a shack at the back of Amir's house. So why does Amir feel such envy towards his friend? Then, what happens to Hassan on the afternoon of the tournament is to shatter all their lives, and define their futures.

The Kite Runner

Bill Martin Jr. and Eric Carle are two of the most respected names in children's education and children's illustrations. This collaboration, *Polar Bear, Polar Bear, What Do You Hear?*, their first since the classic *Brown Bear, Brown Bear, What Do You See?* (published decades ago and still a bestseller) shows two masters at their best. What will you hear when you read this book to a preschool child? Lots of noise! Children will chant the rhythmic words. They'll make the sounds the animals make. And they'll pretend to be the zoo animals featured in the book-- look at the last page! A Redbook Children's Picture Book Award winner The rollicking companion to *Brown Bear, Brown Bear, What Do You See?*

Polar Bear, Polar Bear, What Do You Hear?

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part Max docuseries *Brené Brown: Atlas of the Heart*! ONE OF BLOOMBERG'S BEST BOOKS OF THE YEAR Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right

Brown Bear, Brown Bear, What Do You See

questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In *Dare to Lead*, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Dare to Lead

Collages of familiar farm animals complement this tale of a determined little spider toiling away to build her web.

The Very Busy Spider

This book aims to reinvigorate the Marxist project and the role it might play in illuminating the way beyond capitalism. Though political economy and scientific investigation are needed for pure Marxism, Martin's argument is that the extent to which these elements are needed cannot be determined within the conversations of political economy and other investigations into causal mechanisms. What has not been done, and what this book does, is to argue for the possibility of a rethought Marxism that takes ethics as its core, displacing political economy and \"scientific\" investigation.

Ethical Marxism

A big happy frog, a plump purple cat, a handsome blue horse, and a soft yellow duck-- all parade across the pages of this delightful bilingual edition of *Brown Bear, Brown Bear, What do you See?* (*Oso pardo, oso pardo, ¿qué ves ahí?*). Children will immediately respond to Eric Carle's flat, boldly colored collages. Combined with Bill Martin Jr.'s singsong text, they create unforgettable images of these endearing animals.

Brown Bear, Brown Bear, What Do You See? / Oso pardo, oso pardo, ¿qué ves ahí? (Bilingual board book - English / Spanish)

Big Brown Bear and Little Bear shared a cosy cave. They shared each other's company and they shared each other's food. Little Bear liked eating edges and Big Brown Bear munched up all the middles. This worked very well until, one autumn day, Little Bear woke up feeling EXTRA hungry and Big Brown Bear woke up feeling MONSTROUSLY hungry...

Two Hungry Bears

NEW YORK TIMES BESTSELLER • Our minds don't work the way we think they do. Two renowned psychologists explain how and why our intuitions lead us astray, "[spinning] the plain world [we] know into a wonderment of surprising new insights" (Time). "A must-read for anyone who wants to better understand how the mind works."—Associated Press In *The Invisible Gorilla*, Christopher Chabris and Daniel Simons, creators of one of psychology's most famous experiments, use remarkable stories and counterintuitive scientific findings to demonstrate an important truth: We think we see ourselves and the world as they really are, but we're actually missing a whole lot. Chabris and Simons combine the work of other researchers with their own findings on attention, perception, memory, and reasoning to reveal how faulty intuitions can lead us to make shocking, costly—even life-threatening—mistakes. In the process, they explain: • Why a company would spend billions to launch a product that its own analysts know will fail • Why award-winning movies are full of editing mistakes • What criminals have in common with chess masters • Why measles and other childhood diseases are making a comeback • Why money managers could learn a lot from weather forecasters *The Invisible Gorilla* reveals the myriad ways that our intuitions can deceive us, but it's much more than a catalog of human failings. Chabris and Simons explain why we succumb to these everyday illusions and what we can do to inoculate ourselves against their effects. Ultimately, the book provides a kind of x-ray vision into our own minds, making it possible to pierce the veil of illusions that clouds our thoughts and to think clearly for perhaps the first time.

The Invisible Gorilla

Eric Carle joins the Penguin Young Readers! In this classic and heartwarming story, a very lonely firefly finally finds the friends he is seeking at the end of a tireless search for belonging. Carle's rich, collage-like art and gentle text will be comfortingly familiar to his millions of fans. Will the puppy finally discover what you call a baby kangaroo? Barefoot Baby-Proof books made from a durable, waterproof, nontoxic material that meets ASTM safety standards Washable & perfect for bath time Introduces children to different types of animals and their babies from around the world.

Who Are You, Baby Kangaroo?

From #1 New York Times bestselling author Holly Black, comes the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

The Cruel Prince

Stories, poems, folk tales, and songs illustrated by different artists.

Sounds of Mystery

Children see a variety of animals, each one a different color, and a teacher looking at them. On board pages.

Brown Bear, Brown Bear, What Do You See?

Walking down a dark lonely road on an errand one night, a brother and sister argue over who is afraid of the dread Ghost-Eye tree.

The Ghost-Eye Tree

Bear can't reach the cake he's after--it's so far up, and he's so far down! Will his friends be able to help? Toddlers will be drawn in by repetition, opposites, humor, and an unexpected twist in this board book story about Bear's quest to reach a cake on a windowsill that is so far up!
